

We build strong kids, strong families, strong communities.

Dear Community Member,

For over three decades The Pocono Family YMCA Swim Team has helped to develop swimmers of all ages throughout the Pocono area. Did you know that Y Swim Team Families are responsible for bringing the sport of swimming to our area high schools? For years we have been building strong kids, strong families and strong communities and we plan to continue that tradition.

We have a National Team, which participates in YMCA National Meets across the country each year. We are asking that you will sponsor our National Team to help defray the costs for swimmers participating in these meets.

Please make checks payable to "PFY Swim Team Parents" Please, please avoid cash.

Please contact Mike Wolbert at 570 350-2142 with any questions.

Thank you for your support.
Sincerely,
