

Pocono Piranhas Shutterfly Information

We all know the frustration of taking pictures at swim meets. How many of you have great pictures of your child, but all you see is the whitewater that their flutter kick is making???

Over the last year or so we have created a Shutterfly web page to showcase the pictures that we have taken at the meets and other team gatherings. In order to share these pictures, we have found it easiest to post them on Shutterfly.

If you are unfamiliar with Shutterfly, it is a web-based photo company with unlimited storage, quality prints and great photo products. By using this site to showcase the pictures, you are able to go to the site and purchase pictures, create books, magnets, stationery and many more cool products. You are also able to download the pictures from this site and save them to your computer to print on your own or upload them to your own Shutterfly account. Currently Shutterfly pictures are 15 cents and they will be mailed to your house (shipping fee involved). If you are not yet a member of Shutterfly, for joining you will receive 25 free prints.

As a fundraiser for our team, we are offering a subscription to this picture site for \$10 per family for the summer season. There are other options listed on the slip below. You must be a member of the site to view the pictures. This way we have control of who can and cannot see the pictures of our kids. You will need to complete the form at the bottom of this page and submit it to Kay Fenn with a check payable to PFY Swim Team. You will then be added as a member.

Kay Fenn and Hannable Parrish are the parents who will be taking pictures. They try their best to get photos of all of the swimmers. If you do not see your child represented, please contact one of these parents, and they will do their best to get great photos of your child.

Subscription options: (circle one)

Summer team: \$10

Winter team: \$15

Year round: \$20

Family Name: _____

Email address for the membership: _____

Swimmers' names: _____
